Erik Ekudden
Group CTO
Ericsson

As Group CTO, Erik Ekudden is responsible for setting the direction of technology leadership for the Ericsson Group.

Based in Stockholm, his recent tenure in Silicon Valley will also influence strategic decisions and investments in mobility and distributed cloud, machine intelligence, and IoT. With Ericsson since 1993, Ekudden has previously served as research area director and VP of standardization.

One of Ekudden's current priorities is to use Ericsson's technology leadership in 5G for new business opportunities for enterprises, industries and consumers.

He holds a Master of Science degree in Electrical Engineering from the Royal Institute of Technology in Stockholm, Sweden.
